I understand that the massage treatment I receive is provided for the basic purpose of relaxation and relief of muscle tension, and is not to be construed as a substitution for medical diagnosis or treatment. Because massage should not be performed under certain medical conditions, I affirm I have stated all my known medical conditions and history and answered all questions honestly. I agree to keep the practitioner updated to any changes in my medical profile. I also understand that any illicit or sexually suggestive remarks or advances made by me will result in immediate termination of the session and I will be liable for full payment of the appointment.
